

Training Announcement!

Lower Allen Township Police Department will host a TEAM training school—**TEACHING, EDUCATING, AND MENTORING SCHOOL LIAISON PROGRAM.**

T.E.A.M. is a school-based “law related” curriculum, taught to grades K-12 by T.E.A.M. trained police officers.

Officers will receive a training program that will introduce them to over 30 lesson plans, they will be able to present in their communities.

In addition to the classroom curriculum, officers will learn Student/Juvenile Psychology, Classroom Management, Bullying and Harassment, and School Security issues.

T.E.A.M. training was developed by the Michigan State Police in response to issues that the traditional DARE program did not address. This program is flexible and can be tailored to the specific needs of the audience. All instructional materials will be provided for the officer to use with their programs. This training offers an excellent opportunity for police to interact with students of all ages in schools or public settings.
